Director of Public Works

**Reviewed as to Legal Sufficiency:**

  
Jeffery Robinson  
City Attorney

**Recommended by:**

  
Richard L. Davis  
City Manager

## **BACKGROUND DISCUSSION:**

City staff had previously sent out an RFP for playground equipment as part of the Ron Wood Park Construction project. The criteria given to the playground suppliers were that the budget was \$150,000 and the size of the playground would be approximately 6500 square feet. Several proposals were received and based on the playground elements provided, the design and the cost Sonntag Recreation LLC was selected by a committee (2 City Council members, the Architect and 2 City staff members). After proposals were received and a selection made, the committee decided to ask City Council for additional funding and enlarge the playground to accommodate children with a variety of abilities. This would provide playground elements that would be appropriate for less abled children and also provide a solid surface similar to the playground at the field of dreams thus allowing wheelchairs accessibility throughout the playground.

As a result of the discussion noted above, City Council approved an increase in the budget to \$450,000 and approximately 12,000 square feet in size. Consequently another RFP was advertised with 6 suppliers responding. After considerable evaluation by the selection committee, Sonntag Recreation LLC was once again selected based on the same criteria identified above.
